OHSUHealth
Hillsboro Medical Center

OHSU Hillsboro Medical Center

- Local, community-based experience in general internal medicine with connection to academic resources
- Mentorship across campuses facilitating career pathways specifically for hospital medicine and primary care
- Balanced schedule facilitating a well-rounded training experience
- Customizable educational experience across multiple subspecialties
- Exceptional training environment with OHSU and Hillsboro Medical Center faculty and clinicians
- Real-world experience caring for the underserved and seasonal workers and their families.
- Collaboration with local leaders, committed faculty and residents to connect to the community
