UW Medicine

University of Washington Boise Internal Medicine Residency

- 4 preliminary medicine interns and 12 categorical residents per class-located in Boise, ID
- Work collaboratively with partners in Idaho (Boise VA, St. Luke's Health System, Saint Alphonsus Boise, and other practices throughout Idaho) and Washington (University of Washington Affiliated Hospitals in Seattle)
- Aim to graduate curious, compassionate, versatile internists who teach, lead, advocate for patients, work well in teams, and serve the people of Idaho and the Northwest United States
- We hope you will consider the Boise program
