UW Medicine

University of Washington (Seattle) Internal Medicine

Our Mission:

- To train the next generation of leaders in medicine regardless of whether they work in academic medicine, community practice, public health, or healthcare policy and administration
- To provide a world-class, individualized learning environment in which outstanding patient care and outstanding training are indistinguishable, woven intricately together to create exemplary clinical and educational outcomes
- To meet the individual educational and mentoring needs of all our residents, allowing them to reach their maximum potential based on their career goals, and do that it a supportive and caring environment
